HOW TO PACK

Camp Concordia is anticipating state guidelines similar to 2020 in order to operate in 2022.

Please follow these **REVISED** rules for packing. Please read and understand these guidelines.

We recommend two bags. A suitcase (no higher than 11 inches) for clothing and a stuff sack or large duffel bag for sleeping bag and pillow. No loose items please.

- **For 2022, the Luggage needs to fit under the bed. The opening under the bunks is 11" high.** In 2022, campers will need to store all items neatly in a suitcase under the beds.
- When getting luggage, bedding and sleeping bags out of storage, please **vacuum and clean with soap and water.**
- A "stuff" bag for the sleeping bag and pillow is a must. A rolled sleeping bag often comes unraveled.
- Place **toiletries** in a type of plastic bag or kit to make it easy to travel to the showers. **Please practice with your camper how to rinse and store their toothbrush IN THE PLASTIC BAG/ KIT. This is essential for their health.**
- Make sure your camper's name is on all items.
- **Pack** with your camper. This allows your camper to know where everything is and to develop a sense of responsibility.
- Include an extra trash bag for dirty laundry.
- **Bring any medications in their ORIGINAL CONTAINER and check them in with the health officer at Stop 3. DO NOT PACK MEDICATIONS in your camper's luggage!**
