PACKING GUIDELINES for Family Camps

Camp Concordia is anticipating updated state guidelines in order to operate in 2022.

- For 2022, the luggage preferably fits under the bed. The opening under the bunks is 11" high. We appreciate this especially for those sharing cabins during Family Explorers. When getting luggage, bedding and sleeping bags out of storage, please vacuum and clean with soap and water. Staff anticipate being available to help you get your items to your cabins so it helps to have things zipped and stuffed. A rolled sleeping bag always comes unraveled when walking through camp. Place toiletries in a type of plastic bag or kit to make it easy to travel to the showers. Please practice with your child(ren) how to rinse and store their toothbrush IN THE PLASTIC BAG/KIT to make them successful at camp. Pack together. Then you will all know where everything is located. Include an extra trash bag for dirty laundry. Remember - this is a Family Camp and adults will be in charge of safely storing and distributing any medications! Do NOT leave medications lying out in cabins.
