- **ADD-ON OPTIONS & Individualized Activities:** Each day campers get a time to choose **Individualized Activities**. Usually cabin groups choose activities together, but during this time a camper can focus on an activity being led by various staff. It could be an extra time of normal camp activities (i.e., archery), to learning a special skill unique to a staff (i.e., sign language). As an alternative, **bulleted items** under camp sessions (i.e., Swim Lessons) are **OPTIONS** available for specific dates. Most have an additional cost to cover specialized equipment (i.e., Water Sports), transportation or food supplies. Fees will be visible in online registration.
- **Sleep in Week:** During weeks with older campers, the entire schedule will be set an hour later. For example, 8:00 breakfast is moved to 9:00 am. This also means staying up later in the evening.
